

Certificate of Authenticity

This certificate verifies that

Suzan Aldimassi

*has received the overactive bladder syndrome/urinary urgency eight-session manual
based on the original version of the scientifically validated protocol
developed by Robert Sapien, MD and Tim and Angela Simmerman Sierra,
and released at the 2018 International Board of Hypnotherapy Annual Symposium.
By receiving the eight-session manual, the named recipient agrees not to transfer
or reproduce it in any form without the express written consent
of the Hypnotherapy Academy of America.*
